EDUCATIONAL TRIP REPORT

The college organized an enlightening 2 days educational trip (06/01/2024-07/01/2024), aiming to blend academic learning with exploration.

The journey commenced with a visit to Dandeli, a town nestled amidst the Western Ghats. It is renowned for its rivers, waterfalls and water activities. As one of Karnataka's premier adventure destinations, it offers an array of aquatic adventures. Students enjoyed the adventures like River rafting, kayaking and boating. Later we visited Echo Beach, where students got to see the beautiful sunset.

The next day we embarked on a trek to the Yana caves. The hike was challenging yet rewarding. Upon reaching the caves, the learned the geological and mythological significance.

Then We continued with a visit to Sharavati backwater which offers a perfect blend of natural beauty and adventure which makes it an ideal destination for the students. Students enjoyed the beauty of flora and fauna of Mangroove forest at Sharavati back water

The final destination was Murdeshwar Beach, known for its majestic sea views. Visited the Murdeshwar temple, dedicated to Lord Shiva and adorned with intricate carvings and architecture. The temple provided a spiritual aura where we offered prayers for peace and prosperity.

This trip was a memorable journey filled with adventure, cultural exploration and spiritual enrichment. It provided students a deeper appreciation for nature's wonders and a greater understanding of the region's heritage. The experience shared and the memories created will be cherished for years to come.
