### Students Feedback Curriculum

#### A Report

A Student's feedback was taken in our College regarding our Curriculum. Majority of the students have opined that the curriculum inculcates soft skills and life skills which enabled the students to fare life. The curriculum is relevant to life and develops employability skills. The curriculum is cognitive and social. It promotes growth in the right direction. The students also opined that the teachers act as facilitators and they complete syllabus on time.

However a few percentage of students felt that the curriculum is inadequate to meet the global challenges. Too much of weightage is given to internal assessment marks ~~marks~~ in NEP. This curriculum is also inadequate where practical aspects of life are considered.
