REPORT ON AWARENESS PROGRAMME BY ANTI-RAGGING CELL IN ASSOCIATION WITH IQAC

Ragging refers to a form of abusive and often humiliating behavior, typically carried out by senior students against new or junior students in educational institutions. It can take various forms, including verbal abuse, physical harassment, emotional trauma, and forced participation in demeaning activities. Ragging is a harmful practice that can have severe psychological and physical consequences for the victims.

In this view, to create awareness among the students about the ill effects of ragging and its legal implications, the anti ragging cell in association with IQAC had arranged a street play on 12/09/2022, Monday at 12.15 PM in the college campus. Since the selected time was a leisure time, all the students got an opportunity to witness the programme.

Students of final year B.Com prepared and enacted a street play highlighting how ragging happens and what consequences that a student goes through being a victim of ragging. The play covered emotional and legal aspects of ragging. What a student should do when she is encountered with such situation, what actions does our college take, what legal cover does she get everything was covered in the street play. Though it was an act of 45 minutes, it created an in depth awareness among the students.
