KOUSHALYA

Soft Skills Competitions

Koushalya is value addition to our college. It is the name given to our soft skills competitions.

Soft skills are essential skills required in the workplace. Students with excellent soft skills can fit into most environments because they are adaptable, flexible, committed, and persevering and display the right attitude. Such qualities cut across all disciplines. In order to perform well and advance in one's career, one needs to have high levels of soft skills in dealing with people. In short, technical skills need to be complemented with soft skills.

More than 90% of students of our college love to land a job. Unfortunately, today's job market doesn't demand marks alone. To fill up this lacuna the college conducts a battery of 10 tests to hone the soft skills of the students.

Vision:

To make a dynamic, vibrant, value-based learning organization comprising of exceptionally skilled, motivated, and committed professionals who facilitate seamless transformation of our participants to excellent performers.

Mission:

To provide opportunity for students to achieve their highest potential and to empower themselves and others. This results not only in increased productivity but also in enhanced personal effectiveness.

Sree Siddaganga Education Society (R.)

Estd. 1982

Sree Siddaganga College of Arts, Science and Commerce for Women

(Affiliated to Tumkur University)

Re-accredited with
Grade **B+**

B.H. Road, Tumkur-572102, Karnataka Ph: 0816-2272312 E-mail : sscasc.women@gmail.com Website : www.sscwtumkur.org

Our aims and objectives:

The importance of soft skills as distinct from hard skills or domain knowledge is increasingly being recognized in several sectors of today's highly competitive marketplace.

Our aim is to develop our students with,

- Communication skills
- Presentation & business communication skills
- Interpersonal & Team skills
- Personal effectiveness skills
- Managerial & supervisory skills
- Leadership skills
- English language skills

Soft skills take years to develop. Students are therefore encouraged to start developing their soft skills while pursuing their academic study. With effect from January 2009, to recognize students' achievements, to check their employability skills, and efforts to improve themselves in areas of communication, leadership, teamwork, strategic thinking and creativity by conducting the following competitions like:
