## REPORT ON INSTITUTIONAL AMBIENCE FOR THE YEAR

(STUDENTS) 2021-22

Most of the students felt that teachers motivate them adequately, explain the topic clearly, complete the syllabus in time, and help to improve their intellectual ability and provide guidance.

Feedback from students regarding the infrastructure and facilities also is sought. Students' opinion on classroom facilities, ICT enabled teaching, learning tools, library, computer labs, general amenities like toilets, recreation games and activities are obtained through Feedback collection.

The institution concentrates more on internships, Students interaction programs, field visits etc that would initiate additional qualification among the students.
