PREFACE

A Teacher is regarded as second parent. Mentorship is part and parcel of a teacher. In guiding students, monitoring their progress is a vital part. In this background maintaining proctor record is very crucial for both personal and professional development. Proctor record maintained by the Institution helps to realise the capability each student which paves for right guidance by proctors, making it extremely beneficial for learning process.

In this regard, I Congratulate teaching staff of our college for their hard work in monitoring both curricular and Co-curricular progress of a student. This record contains academic and participation in extracurricular activities like sports, NSS, career counseling, soft skill training and so on. It also helps the institutional head to monitor teaching, learning and evaluation process of the students.

I wish the maintenance of proctor record of the students by our teachers would be appreciated as a "Best Practice".

Best Regards,

Dr. K.C. Jayaswamy
