Report on World Environment Day Celebration

The Youth Red Cross (YRC) Committee of Sree Siddaganga College of Arts, Science and Commerce for Women, Tumakuru, organized a programme on the occasion of World Environment Day on 5 June 2026 in the college premises.

The programme was inaugurated by our respected Principal, Dr. Marappa, in the presence of Prof. K. P. Sheela, IQAC Coordinator, and Yogish, YRC Programme Officer, along with faculty members, YRC volunteers, and students.

The programme began with an inspiring address by the Principal, who emphasized the importance of environmental conservation and the need to maintain a clean and healthy environment. He encouraged students to take responsibility for protecting nature and adopting sustainable practices in their daily lives.

As part of the celebration, various activities such as tree plantation, campus cleanliness drives, and environmental awareness programmes were conducted. Faculty members and students actively participated in all the activities with great enthusiasm. Saplings were planted across the college campus to promote greenery and environmental sustainability. Students also took a pledge to protect the environment, conserve natural resources, and adopt eco-friendly practices in their everyday lives. The programme concluded successfully with a renewed commitment from all participants to work towards a greener and cleaner future.
