### **Department of Botany and Microbiology**

#### **Report on : Awareness Program on Sexually Transmitted Diseases**

The Departments of Botany and Microbiology in association with the Internal Quality Assurance Cell (IQAC) organized an Awareness Program on Sexually Transmitted Diseases (STDs) on 15th November 2025 at the Akkamahadevi Seminar Hall. The program aimed to educate students on the causes, prevention, and long-term health implications of sexually transmitted infections, thereby promoting informed health choices among young adults.

The resource person for the session was Dr. D. J. Gnana Deva Mohan, Managing Director, Sex counsellor and Environmental Scientist from Ahmedabad. He spoke on various types of sexually transmitted diseases, Modes of transmission, Early symptoms and preventive measures and Importance of awareness, timely diagnosis, and safe practices.

The interaction sparked curiosity among the students, who actively participated through questions and discussions.
