DEPARTMENT OF BOTANY AND MICROBIOLOGY
REPORT ON AKSHAYAKALPA ORGANIC FARM VISIT

The Department of Botany and Microbiology organized one day educational trip to Akshayakalpa organic farm on 27-12-2022 for III BSC Microbiology students and I BSC Botany students. The primary objective of this visit was to provide students with firsthand knowledge of dairy farming practices and the dairy industry as a whole.

The Dairy farm visit provided valuable educational insights for the students, fostering a deeper understanding of the complexities and challenges within the dairy industry. Students expressed appreciation for the practical knowledge gained and its relevance to their academic studies.

The Dairy farm visit was a success in achieving its educational objectives. The students left with a newfound appreciation for the efforts involved in dairy farming and a heightened awareness of the industry's importance in our daily lives.

We extend our gratitude to [name of the dairy farm] for generously hosting our students and providing a rich learning experience.
