Respected Sir,

Sub : Seeking the Permission for organizing guest lecture.

With reference to the above subject, the Department of Biotechnology is organizing a Guest lecture on the topic "Translational Research & Start up opportunities " for the students of BSC Life science students on 24-10-2026 Saturday at Akkamahadevi seminar hall at 10.30 am. Hence kindly request you to give permission and to do the needful.

Thank you

DEPARTMENT OF BIOTECHNOLOGY

REPORT ON GUEST LECTURE

Translational Research and Start-up Opportunities

Organized by: Department of Biotechnology
Institution: Sree Siddaganga College of Arts, Science and Commerce for Women, Tumakuru
Date: 24 October 2026
Time: 10:30 AM
Venue: Akkamahadevi Seminar Hall

The Department of Biotechnology of Sree Siddaganga College of Arts, Science and Commerce for Women, Tumakuru, organized a guest lecture on **"Translational Research and Start-up Opportunities"** on 24 October 2026 at 10:30 AM in the Akkamahadevi Seminar Hall.

The programme began with an invocation by **Varshini, III B.Sc. (CBBT)**, seeking blessings for the successful conduct of the event. This was followed by the welcome address delivered by **Ms. Vinutha K. P., Head of the Department of Biotechnology**, who warmly welcomed the dignitaries, guest speakers, faculty members, and students.

The presidential address was delivered by **Dr. B. Marappa, Principal**, who presided over the programme and highlighted the importance of academic activities in enhancing students' knowledge, skills, and professional development.

The guest lecture was delivered by **Dr. Vaddi Damodara Reddy and Dr. Kuruvalli Gouthami**. The speakers elaborated on the concept of translational research and its role in converting scientific discoveries into practical applications that benefit society. They also discussed the emerging opportunities for biotechnology students and researchers to transform innovative research ideas into start-ups and entrepreneurial ventures.

The session emphasized the importance of innovation, research-based problem-solving, industry collaboration, and entrepreneurship in the biotechnology sector. The lecture helped students understand how scientific knowledge can be applied to address real-world challenges and create opportunities for future careers and business ventures.

The programme concluded with the vote of thanks delivered by **Mizba Fathima**, who expressed gratitude to the principal, the guest speakers, the Head of the Department, faculty members, and students for their valuable contributions and support in making the programme successful.

Overall, the guest lecture was an informative and enriching experience for the students. It broadened their understanding of translational research and encouraged them to explore innovation, entrepreneurship, and start-up opportunities in biotechnology
