Student's feedback

We are the students of 3rd year B.Sc (PCM). We are happy to attend the invited talk on "Recent Advances in Mathematic Research Frontier and Carrer Opportunities". The program was very informative and useful. It helped us gain new knowledge and improve our understanding of the topic. The sessions were interesting, interactive and well organized. We appreciate the efforts of the organizers and resource persons for making the program succesful. Overall, it was a valuable learning experience for us.

Thank You.

I am very happy to attend this mathematics workshop. The Topic was "Recent Advances in Mathematical Research and Carrers opportunities".

This session was very informative and useful our guest speaker Ms. Chandrali Baishya mam. shared valuable information research, recent developments and carrer opportunities in the reasearch field. I learned many new things from this session It helped me understand the importance of mathematics in reasearch and our future carrers

In my opinion. this workshop was very interesting, useful and inspiring. Th I thank the guest speaker and the organizers for giving us this wonderful opportunity

Thank you.
