### ***REPORT ON INDUSTRIAL VISIT-28-12-23***

The Department of Commerce had organized an industrial visit as a part of educational visit to industry on 29<sup>th</sup> December 2023, Friday, and taken 145 students and 6 faculties to IKEA and Dairy Day classic Ice Cream factory. IKEA, a Swedish multinational conglomerate located in Nagasandra, Bangalore. It designs and sells ready to assemble furniture and other goods and services. The visit helped the students to gain exposure to the international management approaches adopted by the retail company.

Students also visited Dairy Day Classic Ice cream factory located in Harohalli Industrial estate, Kanakapura Road, Bangalore. The HR manager welcomed the students and an induction session was delivered about the safety and security measures followed in the plant. Students were then taken to the processing area of the plant. Students were briefed about the core raw material, mixing, processing stages, and cooling to dispatch of the finished goods. Students also had an interactive session with the HR manager where they asked questions and cleared their doubts about the process. Students received practical exposure about the production and operation management which was very beneficial. Students were then taken to the canteen for refreshment in the plant and served fresh ice cream.
