Dr. Padmakshi Lokesh, clinical Psychologist and personality development trainer was invited as a resource person to conduct the workshop for III sem and V sem students. 233 students took the benefit of the programme. Resource person focused on different dimensions of personality development like positive attitude, self confidence, communication, honesty, leadership, courage and so on. She also focused on the ill effects of mobile usage and she also suggested students to engage with family and friends not with electronic equipments. She kept the session engaging by conducting activities which did not allow students to deviate their attention. Students benefited a lot from the workshop which is evident from the feedback they provided to the department.
