- Founder & President through parents and students get information about various institutions of SSES. They also get feedback from Hon. Secretary of SSES, Special Officer and Principal of the college.
- Hon. Secretary conducts frequent meetings with the Principal, IQAC, Staff Members regularly and gives necessary suggestions and sanctions financial assistance.
- Principal constitutes about 34 committees like test committee, redressal committee, cultural committee etc.
- They execute college programmes effectively.
- HOD's along with Staff Members prepare the planner for the various departmental activities.
- IQAC, with the financial assistance provided by the Management conducts two day 'Punaschethana Programme'- the orientation programme for teachers every year.
- The Principal, with the assistance of test committee, conducts test periodically-2 tests & 1 preparatory examination per semester.
- Feedback is obtained from stakeholders & academic issues are discussed first at the Management level & then in the Staff Council and appropriate measures are taken to improve quality of Infrastructure and Education.
- Parents-teachers meeting are conducted annually to collect feedback.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

- As far as the curriculum development is concerned, our college being affiliated to Tumkur University, cannot develop its own syllabus. However Staff members, who are members of BOS, will help in framing the curriculum.
- Introduction of topic is done as per the feedback given by stake holders.
- The college offers short-term COP for final degree students.
- Indian Constitution, Computer Fundamentals and Environmental Science are taught to all I & II degree students to make them more knowledgeable and competitive.

6.3.2 Teaching and Learning

- Apart from conventional black-board method of teaching, teachers use smart board and PPT.
- Students are given project work and taken to study tours & industrial visits.
- Science students are encouraged to participate in science exhibition and model making.
- Unit tests are conducted and assignments are given to students to assess & improve their academic ability. Students are also provided with study material and question bank.
- A short term bridge course is conducted for I degree students.
- Also in the beginning of every academic year, one day orientation programme is conducted for I degree students to motivate them for smart studies

6.3.3 Examination and Evaluation

- Examinations are conducted as per direction and time table provided by Tumkur University. However to facilitate better performance, preparatory examination is conducted few days before the main exams. The valued scripts are given back to students with proper remarks & advice.
- The university conducts central valuation & results are announced. Students may apply for photocopy of valued scripts and apply for revaluation.

6.3.4 Research and Development

- Research committee takes care of promotion of research. The Principal is ex-officio chairman & Dr.R.Ananda Kumari HOD of physics is the Director and Dr.Yogeshwarappa, HOD of History is the Co-ordinator.
- Number of departments like Physics, History and Political Science are guiding many research scholars. Many of the faculty are recognised as research guides in more than one university. Many scholars have obtained their Ph.D and M.Phil under their guideship.
- Many of the faculty of our college are pursuing Ph.D in different universities. Management has been sending faculty members on FIP.
- Almost all Departments of College have taken up Major research and Minor research projects. About 10% of Library Budget is reserved for purchasing advanced books and research journals.
- Our teachers are publishing quality articles in National & International journals. Dr.R.Ananda Kumari and V Roopa have presented Research papers in International & National Conferences.

6.3.5 Library, ICT and physical infrastructure / instrumentation

- ICT is extensively used in our college. All the departments are provided with PC's. Each of these are loaded with encyclopaedia, dictionary, documents, e-books and e-journals. Therefore each PC can be regarded as a digital library.
- All data related to teachers and students are stored in the computers and teachers have proficiency in handling computers.
- Each Department is linked with internet. Hence additional data can be obtained at the finger tip.
- College has 3 seminar halls and 3 class rooms which are provided with smart boards. Teachers make use of the facility for conducting seminars, PPT presentations and extension activity.
- One compartment of library is converted into digital lab, where 8 computers provide digitized information and internet connectivity.
- All the classrooms, labs and library, office, campus quadrangle are connected to CCTV installed and maintained inside the Principal's chamber.
- Staff members are required to mark their attendance in Biometric system

Our college Library is one of the best libraries recognized in the state. It contains the following

Convener : Sri. Lakshminarayana

Members : Sri H.P.Veerabhadraswamy
Sri H.V.Therumallappa
Sri Sathish

**SREE SIDDAGANGA COLLEGE OF ARTS, SCIENCE AND
COMMERCE FOR WOMEN, B.H.ROAD, TUMKUR-572102**

A Report on Students' Feedback on Teachers : 2015-16

VISION: Enhancement of Teaching, Learning and Evaluation Process in the college.

MISSION: Collection of feed-back from regular and out students on TLE professionalism in teaching.

PROCEDURE: Questionnaire method (supplied by Directorate of College Education and NAAC manual)

In a teachers' counsel meeting held during January-2016, chaired by respected Principal, it is decided to continue Sri Lakshminarayana, Associate Professor of Physics, as convener of students' feed back committee. He was also permitted select members of the committee.

The feed back committee comprises the following:

1. **Sri Lakshminarayana Convener**
Associate Professor of Physics
2. **Sri H.P.Veerabhadraswamy Member**
Associate Professor of Economics
3. **Sri H.V.Therumallappa..... Member**
Assistant Professor of English
4. **Sri Sathish..... Member**
Assistant Professor of Computer Science

In the beginning, Sri Lakshminarayana, went to each section and collected the names and subjects of teachers engaging their classes. The same was written on the feed forms. Then they are given for Xerox copying to required number of formats for each combination.

Later, during the month of February – 2016, the above committee members went to each section and advised how to give their feed back on teachers, explained the importance. They were also hinted of judicious and honest evaluation. It was also made clear that, they are not required to write their names, so that process is done in fearless atmosphere.

The filled formats were handed over to Sri Lakshminarayana. He, in turn calculated the average score of each teacher, combination wise and consolidated on same page. Many thanks to Sri Basavaraju, Computer Assistant, who has done the D.T.P work excellently.

The following table shows the statistics of feed – back collected.

The percentage of students who gave feed-back $\frac{1515}{1863} \times 100 = 81.32\%$

Report:

Students feed back on 90 teachers who are handling theory classes are collected. It is found that students are satisfied with the performance of teachers in almost all criteria.

Of the 90 teachers, 28 teachers have scored between 90 – 100% , 43 teachers have scored between 80 – 90% and 19 teachers between 70 and 80 %.

Further it is noticed that young teachers have showed their improvement in performance.

The chart/booklet showing the individual performance was kept on the table of Principal, for teacher's perusal.

Action Taken:

1. The faculty members whose scoring is above 80% were appreciated.
2. The teachers whose scoring was very close to 70% were advised by Principal.

BEST PRACTICES

1. Title of the practice : "THILIDIRALI" ('Let it be known')

Committee: Chairman : Smt.V.Nalinakshi, Principal, SSCASCW

Co-ordinator: Smt.L.Girija, Asso. Prof. & HOD of Zoology

Members : Smt.Shahanaz, Lecturer, Department of Zoology

Smt.Kalpana Mahesh, Councillor, SSASCW

Goal : Adolescence is the a crucial stage in the life of human beings. This period is marked by the maximum number of physical changes and mental changes. To sensitize about absolute head - mental and physical.

AIM- To ensure the health and wellbeing of our students.

Objectives-1) to sensitize students about adolescent health issues.

2) To engage in healthy behavior that contributes to a healthy life style.

3) To gain the capacity to thrive in spite of stresses in life.

4) To successfully engage In the developmental tasks of adolescence and

5) Experience a sense of wholeness & well being.

The context: Adolescence is characterized by rapid change. As they develop adolescents adopt new roles of social responsibility, acquire skills. The health, knowledge, attitude and practices of adolescents are essential factors when predicting the process of epidemiological transition of a population. The current life style of adolescents, like reproductive behavior, eating habits, lack of physical activity coupled with high level of stress and increase in habits like substance abuse impact health and disease patterns. Adolescents are subject to many influences dominating their internal and emotional environment. They include, parents, teachers, peer group, healthcare providers, media and religious and cultural norms. Knowledge of the significant rapid physical, mental and social changes occurring during this critical stage of life helps adolescents to absorb and adapt to these changes.

Practice: We are a nation of the young. A worrisome factor is the increasing rate of health problems among the youth. This unique programme aims at sensitizing students, and teachers about adolescent health issues.

As Educators, we can make a difference in shaping the adolescents.

We are conducting a Health Education programme, titled “**Thilidirali**” ('Let it be known') for all the students of our institution. It is conducted in the month of July every year. In this programme a team of teachers addresses the students on various topics related to adolescent health.

DISCUSSION THEMES -

a) **Nutrition:** Adolescence is a time where nutrition is neglected. Nutritional needs, nutritional disorders, smart diets for teens are discussed under the theme.

b) **Health and Hygiene:** Adolescent health provides the foundation for adult health. Lifelong patterns of healthy behavior are established at this time. Changing food culture, life style and

their implications on general health, rise of non communicable diseases among the youth are discussed under this theme.

c) **Reproductive Health:** Adolescence is a period of major physical, psychological relationships changes. Some choices made are unsafe and harmful. Many vulnerable situations involving adolescents can have, life threatening consequences. Teen pregnancies, sexual abuse, STD/HIV AIDS and substance abuse are discussed.

d) **Mental health:** Adolescence is the period, when mind is most inquisitive and the spiritual values are adopted. Conduct, disorders, anxiety, depression, counseling, cognitive behavioral therapy are discussed here.

e) **Substance Abuse:** Substance abuse is becoming common in adolescence which can lead to risk taking behavior.

Evidence of success: Written and oral Feedback from the students reveals the success of the programme. They expressed satisfaction and happiness. They also discussed many issues and shared experiences. 90% of students rated the programme A **excellent** and 10% of the students rated the programme B-**Very Good**. Students obviously were helped.

1. Decreasing the risk factors – that contribute to risky behavior and poor health out comes
2. Increasing the protective factors that contribute to resiliency and healthy out comes.

Problems encountered: None

Resources required: Seminar hall with ICT facility. A team of dedicated teachers. The services of a Student Counselor.

Notes : As healthy youth are the wealth of our country, they ought to be made aware of the importance of health and hygiene. We conduct a day long programme for second year students. Each session lasts for one and a half hours of audio-visual presentation and thirty minutes for a question and answer session. The topics mentioned above are discussed. The College Student Counselor is constantly in touch with problem students.

Goal: To provide free lunch to the needy students

Context: Our institution is run by his Holiness Dr.Sree Sree Shivakumara Swamiji of Sree Siddaganga Mutt. He is called “Trividha Dasohi” as he provides free food shelter and education to around 10,000 students. This college for women was started by His Holiness to educate rural girls.

As an extension of the idea of dasoha, Dr.R.Ananda Kumari, Secretary of the Alumni Association, involving the Alumni Association, Teachers of our college and other Philanthropists, started this 'Free Mid-day Meal programme'.

The Practice: At the beginning of the academic year, applications are invited from the students. Applications are scrutinized shortlisted are given an ID card, toll numbers and an attendance is maintained.

Every day one faculty member is assigned the task of monitoring. Long absentees are counseled, a health check up is conducted. Yoga classes are held. The academic progress of the students is also monitored. A good caterer is entrusted with the job of providing quality food.

Evidence of Success: The improved attendance, improvement in concentration, health and their academic progress.

Problems encountered and resources required: At first there were no takers for the program as the students did not like to be seen as poor. There are problem of funds at times to carry out this practice. In such situation Teachers are asked to donate liberally.

4. Ad- on –course Net Sim: A UGC sponsored career oriented program called Net sim has been started in 2008-09 under XI Plan. It is a computer based networking course and a skill oriented course designed to make the higher education system more relevant with focus on quality and excellence.

The following programmes are offers under this course

1. Certificate course
2. Diploma course
3. Advance Diploma course

Each course is of one year duration. The college has instructed to the department of computer Science to conduct this course. For which the CS department faculties are trained. At present we are conducting certificate course for I year and II year PMCs students. Later on we will continue them for Diploma course. After successful completion of this course we will provide the certificates for the students

5. Koushalya :- A Soft skill training programme and competition: it is a name given to our annual soft skill competition. It provides an opportunity to the students to achieve their highest potential and to empower themselves. Our aim is to develop students with communication, inter personal, leadership, presentation, business communication and technical skills. From past 7

years the competition is being organised by conducting 6 events in three days. The events which we are conducting are

1. Written test
2. .PPT (Power Point Presentation)
3. Listening skills
4. Creative resume
5. Group discussion
6. Mock interview

Before going to conduct this event, we will organise a one day workshop from the resource person to the participants. More than 250 students are going to participate in these events. In each event we will select top three students and they are awarded with certificates and competitive books.
