(Innovation in Science Pursuit for Inspired Research)

Sponsored by :

Department of Science & Technology (DST)
Government of India

25th December
to
30th December
2015

INSPIRE is one of the innovative programs developed by the Department of Science & Technology. The basic objectives of **INSPIRE** is to attract talented young students to undertake Science studies at an early stage and to help build the required critical human research & development base of our Nation. It is a programme with a long term foresight.

For attending **INSPIRE** Science Camp, the students need not pay any money either to the school or the organizer. Expenditure towards travel (to and fro), accommodation, food, etc., for all the students attending the science camp is taken care of by **DST-INSPIRE** program through respective camp organizers.

THE CAMP IS TOTALLY FREE OF COST

About The Organizers

Sree Siddaganga Education Society was founded by His Holiness Dr. Sree Sree Shivakumara Swamigalu, in the year 1963.
